¹ Average annual returns include terminated manager performance and reflect the deduction of investment management expenses, but do not reflect the deduction of SBI administrative fees. Fee information is provided in the Supplemental Investment Fund Prospectus, available at msbi.us/prospectus. Performance for periods greater than one year is annualized. Calendar year performance represents the total return for the full calendar year (January 1 - December 31). Past performance does not guarantee future results.

² Volunteer Firefighter Account Allocation: U.S. Equity Index Fund 35% | Broad International Equity Fund 15% | Bond Fund 45% | Money Market Account 5%.

³ The Composite Benchmark reflects the aggregate performance of the underlying asset class benchmarks according to their target weights.
